Expectations for Parents/Guardians in the School

All visitors must enter the school via the front door only and immediately check in at the office. If you are volunteering in a classroom, or have a meeting with a teacher, you will be given a visitor tag so our staff know that you have checked in. If you do not have a visitor tag staff members will direct you back to the office to obtain one.

It is an expectation that parents/guardians do not walk into their children's classroom or coat hook area between 8:45am – 3:21pm. Administration is happy to walk your child to their class if they arrive late.

Volunteering at Killarney

We are so excited about the upcoming learning opportunities for our students on and off site. If you are able to help volunteer for field trips [please take a look at this information](#). If you do not already have a police clearance you will want to do this right away. No one can volunteer without having this complete. If you are unsure about your current police check expiry date email me at lcsherwood@cbe.ab.ca and I can look it up for you.

Complete Your Demographics Now

Each year, schools have a variety of forms that parents / legal guardians / independent students are required to complete or review and update, some of which are paper and others online. For families who have not yet completed these annual forms, please submit the Demographic Verification and Annual Authorization forms in SchoolEngage for your child by Monday, Sept. 15. These forms are required every year for Alberta Education to confirm student funding. We recognize certain families have already completed Demographic Verification and Annual Authorization forms for their children for the 2025-26 school year and we thank you for taking time to submit them.

Details of the online forms found in SchoolEngage include:

- Demographic Verification - 2025-26 – This required form is an Alberta Education requirement as proof of Registration for funding purposes and includes your child's personal information as well as parent / legal guardian contact information.
- Citizenship Information Update - 2025-26 – This form becomes available if you change your child's citizenship information on the Demographic Verification form.
- Annual Authorization - 2025-26 – Combines the following forms:
 - School District Use of Personal Information - explains how CBE uses personal information in providing education services.
 - Consent for CBE Use of Student Information – provides an option to grant / not grant consent for additional use of student information by school/district and third parties.
 - Consent for Use of Student Information by News Media and Outside Groups (Third Party) - provides an option to grant / not

grant consent for additional use of student information by outside groups and third parties

If you do not have a MyCBE account, on the [MyCBE](#) page click on Create a MyCBE Account. For online help, refer to [MyCBE - Creating an Account](#) (includes instructions and a video).

Playground News!

We're closer than ever to breaking ground on the new Killarney School playground, but we need your help to get across the finish line.

While our team has secured substantial funding through grants and local donors, we still face a 50% gap on our over \$500,000 project. Closing this shortfall now is critical: delaying the build by another year means rising material costs and another year our kids go without a modern, inclusive play space.

How you can help right now: Do you work for, own, or know a business that supports community projects?

- **Connect us:** Send contact details to playground@killarneyschoolcouncil.ca and we'll handle the pitch.
- **Reach out directly:** Check out the attached info sheet, or email us for a ready-to-send corporate outreach template.

Every introduction counts. Let's build this together!
